# Light a Bulb! 2009

## The holiday season,

traditionally is a time to give. You have an opportunity to make a difference to the quality of care in our community, by supporting the campaign to purchase equipment for the new Patient Care Tower.

## A tax-deductible

donation to Vernon Jubilee Hospital Foundation's 22nd Annual Light a Bulb Campaign will help to realize our goal of

# \$200,000

to purchase needed medical equipment for Vernon Jubilee Hospital's new Patient Care Tower.

Your Donation will make a difference, please help us equip the new Patient Care Tower

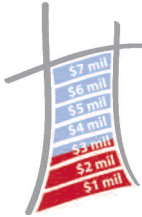

Last year, the Vernon Jubilee Hospital Foundation launched a campaign to raise 7 Million dollars to assist the Hospital

with equipping the new Patient Care Tower. It was a bold leap for us, our largest campaign ever. I am pleased to report that we have now reached the \$2.6 million mark, but we still have a long way to go.

When driving in Vernon, it is clearly evident that the construction of the new Tower is well underway and two months ahead of schedule. The opening of the Tower is planned for the spring of 2011. All of this is good news; moving us closer to the ultimate goal of a revitalized hospital which will attract and keep the best physicians and healthcare professionals in the North Okanagan.

As we indicated last year, the Foundation has decided to direct the proceeds of the annual Light a Bulb Campaign to support the Building a Tower of Care campaign. This is why I am asking for your financial support this holiday season. You may wish to direct your gift to support equipment purchases for a specific area of the hospital, or make a general donation to the area of greatest need. Your gift, great or small, will be meaningful. Our Light a Bulb goal this year is \$200,000, and together we can reach our goal by the end of December.
