

Vernon Jubilee Hospital Foundation has a mission to raise funds that support unfunded healthcare needs in the North Okanagan Health Service Area. The cost of purchasing new medical technology; equipment upgrades or replacements; and financial support for special programs have always been shared by the community.

In our ever-changing world there is little about the future that we can be sure of, but the need for healthcare is one of them. With this in mind, VJHF must not only raise funds for our current needs, but it also strives to ensure that the future healthcare needs of our children and grandchildren can be met as well.

Gifts may be given for use in the areas of greatest need in our health service area, or designated to specific funds.

“excellence in healthcare for citizens of the North Okanagan for generations to come.”

Our Health...Our Future

Paint a Brighter Future... help others you care about. Your charitable gift can benefit both Vernon Jubilee Hospital Foundation and you, the donor. Support areas of greatest need; a specific area in the Hospital; Mental Health Programs; Residential care facilities in Armstrong, Enderby or Vernon; Community care in Vernon & Enderby

If you are considering a legacy gift to Vernon Jubilee Hospital Foundation, contact us so that we can provide you and your advisors with all the necessary information to ensure your intentions are clearly documented and your gift appropriately directed.

Help Us Paint a Brighter Future

Why Give?

“You have the power to make a difference.”

Your investment in Vernon Jubilee Hospital Foundation enables the purchase of state-of-the-art equipment that would otherwise not be possible.

Consider what really matters to you.

“birth of your first child”

“surgery for your father”

“mending broken bones”

“a community nurse helping you at home”

“a caring residence for your elderly parent”

There will never be enough money to fund health care needs in B.C. Your gift will make a difference.

Make a Difference

“Donated dollars are used to buy medical equipment, support programs and improve patient care.”

Here are just a few of the ways you can give:

- Make a contribution in memory or in honour of a loved one
- Consider a creative, non-monetary gift, such as property assets.
- Donate publicly listed securities and save on your tax bill.
