

Vernon Jubilee Hospital Foundation has a mission to raise funds that support unfunded healthcare needs in the North Okanagan Health Service Area. The cost of purchasing new medical technology; equipment upgrades or replacements; and financial support for special programs have always been shared by the community.

In our ever-changing world there is little about the future that we can be sure of, but the need for healthcare is one of them. With this in mind, VJHF must not only raise funds for our current needs, but it also strives to ensure that the future healthcare needs of our children and grandchildren can be met as well.

A memorial gift is a very special tribute to a deceased family member, friend, or co-worker.

“excellence in healthcare for citizens of the North Okanagan for generations to come.”

GIFT PROGRAM**

Memorial Gift...

“More than a Celebration of Life.”

The Fisher Family

Your gift in memory of a friend, a family member or other loved one is a thoughtful way to commemorate the life of that special person.

In addition to celebrating life, your gift enhances Vernon Jubilee Hospital Foundation's ability to purchase of state-of-the-art equipment that would otherwise not be possible; fund special programs; or support patient & resident comforts.

Your gift will enhance the quality of care for the citizens of the North Okanagan.

Make a Difference

“Donated dollars are used to buy medical equipment, support programs and improve patient care.”

Your contribution will go to help save and change lives of patients in the North Okanagan. You can designate an area or program of your choice. The Foundation will send an acknowledgement of your thoughtful gesture to the bereaved family. You will receive a tax receipt and a letter of thanks for your gift. The amount of the donation is kept strictly confidential.
